October 2022

Month of the Holy Rosary

Tips to Pray the Rosary Daily

1. Carry a rosary in your pocket.
2. Say it while you wait (for example at a bus stop).
3. Recite the rosary while doing chores or while you work out.
4. Use images and music. The rosary is a contemplative prayer.
5. If you are upset, pray for the situation that worries you.
6. Pray while you walk and think of the people in your life.
7. Use each mystery to ask for a specific intention.
8. If you can't pray the whole Rosary at once, break it into parts.
9. Say it in moments of sadness or spiritual drought.
10. Fall asleep praying the Rosary.
