My Brother Sir Knights,

Welcome to the new fraternal year.

I am asking all Faithful Navigators and Comptrollers to take a look at the Spreadsheet below. If you do not see an "X" next to your Assembly, then this document is missing at the State Level. Please understand that when completing one of these forms, it is the Assembly's duty to send a copy to Supreme and to the District Master, Glenn Camley, PSD or myself directly. I maintain a list of those files and archive them as backup for your Assembly.

Second, I look at your audits and offer help to your Assembly if I find errors within the audits. I offer my help not to just to make things right but to assist you and your officers for a smoother running operation.

Brother Sir Knights,

Well, it is summer. I have seen my crocuses and daffodils blooming. Vaccinations were rolled out at a terrific pace. I was at the bus station to get my shot which took a little over two and a half hours. The line was longer when I left than when I arrived. It did my heart good to see

that people were getting the vaccination. Be at peace my brothers, we are indeed in the hands of the Lord.

#### VA NEWS:

**VA**

U.S. Department  
of Veterans Affairs

## News Release

Office of Public Affairs  
Media Relations

Washington, DC 20420  
(202) 461-7600  
[www.va.gov](http://www.va.gov)

### VA stands up commission to recommend new Veterans Health Administration Under Secretary

**WASHINGTON** — The Department of Veterans Affairs (VA) established a commission to identify candidates to lead and manage the [Veterans Health Administration \(VHA\)](#). The position is for the Under Secretary for Health, who oversees the country’s largest health care system — which has an approximate annual budget of \$61 billion — and supervises the delivery of care to more than 9 million enrolled Veterans.

By law, the appointment is made without regard to political affiliation and solely on demonstrated ability in the medical profession, policy formulation, and health care administration and fiscal management. Those being considered must have substantial experience in connection with the programs of VHA or programs of similar content and scope.

Duties of the post include overseeing the operation of VA’s more than 1,200 sites of care, including hospitals, community-based outpatient clinics, nursing homes, domiciles and 300 Vet Centers. The candidates should have a demonstrated ability to conceptualize and implement a vision, while being an advocate who can move an ambitious agenda forward to meet the needs of Veterans.

VHA is the nation's largest provider of graduate medical education and a major contributor to medical and scientific research. More than 73,000 active volunteers, 123,000 health professions trainees, and 306,000 full-time, health-care professionals and support staff are an integral part of the VHA community.

As I have mentioned in previous months’ newsletters, it is my objective to talk with each Faithful Navigator in the state. It would be helpful if you dropped an email with your contact information.

## **VA allocates \$1B to aid State Veterans Homes amid COVID-19 pandemic**

**WASHINGTON** — The Department of Veterans Affairs (VA) announced it will make grants totaling \$1 billion to State Veterans Homes operated across the country to ensure residents continue to receive high quality care, live in modern, safe facilities and are protected from the

COVID-19 pandemic.

VA is appreciative to Congress for providing the funding for these grants in the American Rescue Plan (ARP) Act of 2021 and the Coronavirus Aid, Relief, and Economic Security Act (CARES) Act as amended by the Consolidated Appropriations Act, 2021.

“Too many Veterans residing in State Veterans Homes have suffered greatly during this challenging pandemic and it’s vital that we do everything within our power to help them through these tough times,” said VA Secretary Denis McDonough. “We are working to ensure our Veterans are protected and that their state-run homes are well equipped for the challenges ahead.”

Source and allocation of funds:

- \$500 million from ARP designated to provide grants through the current capital grant program for construction of State Veterans homes.
- \$250 million from ARP designated for grants related to operating needs based on each state’s share of total Veteran residents in nursing home and domiciliary care.
- \$150 million from CARES Act designated for grants for capital needs for construction funds to modify buildings to prepare, prevent or respond in order to mitigate the risk of COVID-19.

\$100 million designated by the Consolidated Appropriations Act, 2021, for grants for emergency payments to existing State Veterans Homes to prevent, prepare and respond to COVID-19.

## **VA, American Red Cross team up to provide virtual social engagement for Veterans during COVID-19 pandemic**

**WASHINGTON** — The Department of Veterans Affairs (VA) and American Red Cross announced a partnership to boost volunteer recruitment efforts for the department’s Compassionate Contact

Corps program, which provides companionship to Veterans experiencing social isolation during the COVID-19 pandemic.

The program allows physicians, chaplains, nurses and social workers to pair volunteers with Veterans who are experiencing loneliness, are at risk for social isolation or could benefit from a companion. "Since the start of the COVID-19 pandemic, VA has worked diligently to find viable ways to engage Veterans who are staying home per guidance from the Centers for Disease Control and Prevention," said VA Center for Development and Civic Engagement Director Sabrina Clark. "Compassionate Contact Corps was born out of a desire to help our Veterans who are at home to constructively engage with others while keeping them and our volunteers safe."

"We regard VA's Compassionate Contact Corps as a best practice and signature program," said American Red Cross Senior Vice President Koby Langley. "It directly aligns with our organization's mission and the expertise of its cadres across a vast nationwide network of volunteers to prevent and alleviate human suffering whenever possible."

Veterans and volunteers are matched based on common interests, with volunteers making regular phone or video calls to Veterans.

Volunteers must be 18 years of age or older, successfully pass a background check and complete training on confidentiality, privacy, customer service, empathy, compassion, active listening and boundaries. Volunteers do not have to be Veterans or clinicians.

Veterans interested in participating require a referral by a VA clinician. Interested volunteers can find available opportunities at their local VA or at the American Red Cross.

Brothers All, I hope this memo finds you well.

**State Council Elections** Congratulations State Deputy Ray Lemay, and my thanks and best wishes to Joe Kowalik, III in his new role as Immediate Past State Deputy. It is my understanding that state deputies in our province were elected to their 2<sup>nd</sup> terms so it looks like we have a great team of state deputies and district masters.

**“To Be A Patriot” Award** The following submittals were received and processed forthwith as required:

- Bishop Fenwick Assembly 100, Norwalk, CT: Helping Veterans During Pandemic
- St Pius X Assembly 1060 Riverside, RI: Operation ROVAC
- Patrick Donlin Assembly 2459, New Haven, CT: Merry Christmas for a Veteran in Need

My thanks to these assemblies for their excellent work. Supreme is now processing and evaluating the submittals from across the order. The award announcement date to be determined later.

**Look Ahead** Your 2022 Biennial Meeting will be placed on the calendar soon, to be held in March or April. Look for word on this from District Master, Glenn Camley.

**In Closing** As we close out this fraternal year, my gratitude and thanks for your efforts this past year. Most of you came into your positions last fall only to find yourselves limited in what you could do and restricted in how to do it. It looks like we’re coming out of this thing and we can finally get back to doing what we do. Some of my thoughts for the immediate future.

- Our assemblies should be actively involved in our home parishes by assisting our pastors with the full reopening of our parishes and welcoming our neighbors.
- Actively assisting our member councils with the presentation of the Multi-Degree. We have a backlog of non-third degree members and a wellspring of new potential members attending our parishes.
- Our districts/assemblies will conduct either patriotic activities relating to or in response to current events. Our society is lacking in the knowledge and/or proper conduct of their citizenship. For instance, respect for our flag, our country, and to those who defend it; reverence for the ballot, and appreciation and support of law enforcement personnel. What is our response?

Vivat Jesus,

***Richard McDermott, PSD, KCHS***

Rich McDermott, PSD, KCHS

Vice Supreme Master

Knights of Columbus

Bishop Healy Province

Brother Knights,

I want to start off my letter to you, by thanking all of you for your hard work over the last year. We lived through difficult times, and accomplished so much together ... in our Assemblies, in our communities, and District wide in the State of New Hampshire.

**Membership Growth:** During the course of the 2020-2021 fraternal year, you continued your push to recruit and propose new members to the patriotic 4<sup>th</sup> Degree. The District of New Hampshire was given a goal of 138 new members. Our June Degree held at the Cathedral of St.

Joseph, was thought to be our final Degree, however, Secretary, Ed McCann and I proposed ... one more Online Exemplification, to make the final push for membership. Multiple Assemblies canvassed Council member rosters and exemplified over two dozen more members, ending the year with 147 total member income at 106%. Now that we're in a new fraternal year ... we're already looking ahead to our next Degree as well as greater opportunities with membership with our College Councils, Veterans Council and membership for our Priests within the Diocese of Manchester.

**Assembly Growth:** In continuity with Supreme and in expanding our patriotic outreach within our communities, we've taken a more focused approach in opening new Assemblies in areas where our Priests are wanting a more Parish based contact and concentration in patriotic programming. In nearing the end of the month of June, we finalized the incorporation of "St. John Vianney Assembly #3893", with SK, Allen Ouellette becoming the Assemblies founding Faithful Navigator. This Assembly in Newport, will provide a more Parish based support for St. Patrick Parish in Newport, as well as focused patriotic programming for the community, as well as the outreach that their Faithful Friar, Fr. Michael Sartori, looks for. Faithful Navigator, Ouellette and his Assembly Sir Knights have hit the ground running in communicating with and proposing members, as well as working on exciting programming initiatives with Fr. Sartori. GREAT THINGS are awaiting Assembly #3893.

**Multi-media Outreach:** Our District has continued its multi-media outreach with our Facebook page, creating a greater ease of access to the membership, in sharing the latest of what we have been accomplishing, on a moment's notice. That, coupled with our "Patriotic Review" newsletter, has enhanced our ability to communicate with our Brother Sir Knights.

**On the horizon:** There are so many updates to provide on what's on the horizon, that I'd ask you to share this newsletter with your Brother Sir Knights, so that they can keep up on the page by page action. Our membership campaigns and raffles are continuing. Our VAVS Chairman, David DeWorken, DW and his wife will be picking back up on their communication with various Veteran's Agencies, and creating greater friendships and relationship. Expect exciting initiatives from Dave. We'll be scheduling a "Mid-Year" meeting, a "Biennial" meeting and abilities for Assemblies in Color Corps training. So much to do throughout our communities and to participate throughout the District ... stay healthy and stay strong!

## ***GREAT UPDATES FROM DISTRICT MASTER, GLENN CAMLEY, IPSD***

For the FIRST time in the history of the District of New Hampshire, we have been offering the option of purchasing a 4<sup>th</sup> Degree shirt. Details have been detailed in multiple newsletters and emails, and Secretary to the District Master, Ed McCann, PSD has been taking orders for a while now. The red polo shirt has a pocket for name badge and is being offered in both men's and women's versions, with the same lightweight material that has been offered as the State Council shirts. The shirt will have stitched around the logo "4<sup>th</sup> Degree District of New Hampshire" and "God Bless America" will be stitched on the sleeve.

Secretary, McCann had found that the information on the availability of these shirts had not been shared from Faithful Navigator's to members of their Assemblies, etc. This is a valuable opportunity in sharing the outreach of the 4<sup>th</sup> Degree. Some Assemblies had been purchasing shirts for their Faithful Friars as a thank you gift. A great gesture for their continued support. **Our third order will be picked up by Ed soon.**

**As this has been an extremely successful endeavor, Ed will still make a list of those who request a shirt for themselves, wives and others, to be placed in the near future. However for now, this large order went in as is. Thank you for your support!**

We are EXCITED to have not one but two membership recruitment drives going on right now.

We are kicking off a **NEW** fraternal yearlong "\$1,000.00 Membership Campaign", designed to award Assemblies who during the course of the fraternal year, recruit the most members.

While we are tallying and will be announcing SOON, the financial benefits that each Assembly who recruited will be sharing ... THIS WILL KICK OFF A NEW YEAR!

Who was our **TOP PROPOSER** for a NEW 4<sup>th</sup> Degree uniform? Did your Assembly and Brother Sir Knights get in on the competition and give other Assemblies a run for their money? Find out more in our next Patriotic Review newsletter.

We are all EXCITED for the year ahead, and look forward to your continued and increased participation. Please feel free to reach out to me any time, if you have any talents that you wish to offer to the success of the 4<sup>th</sup> Degree District of New Hampshire. Our growth will be your continued success.

***SIGN THE PETITION. URGE CONGRESS TO PROTECT LIFE.***

Dear Brother Knight:

Your immediate action is necessary to protect taxpayer funding from being used to pay for abortion.

Over the last few weeks, the Appropriations Committee of the U.S. House of Representatives has considered legislation to fund the U.S. government without the long-standing, bi-partisan provisions that prohibit taxpayer dollars from being used to pay for abortion.

Next week, the same committee is scheduled (as soon as Monday) to eliminate the popular Hyde Amendment. First introduced in 1976 by our brother Knight, the late U.S. Rep. Henry Hyde of Illinois, this important provision has saved the lives of more than 2.4 million children.

I urge you to take action today and sign this petition sponsored by the United States Conference of Catholic Bishops asking Congress to preserve these long-standing provisions and to protect human life.

Our 2021 Knights of Columbus/Marist Polling found that 58% of Americans oppose the use of taxpayer dollars to fund abortion. Sign the [USCCB petition](#) today to remind Congress that Americans do not want their taxpayer dollars to be used to take innocent, unborn life.

Thank you for all you do to promote a culture of life!

Faternally,

Patrick E. Kelly

## ***FORM 4 "FILLABLE" APPLICATION INSTRUCTIONS:***

My Brother Knights and Sir Knights:

We have come a long way over these few months and reached our district goal for membership but not without the help from each of you. With the help of the new electronic Form 4 that is 100% fillable we have been able to move documentation along in an extremely fast fashion.

Our District Master indicates that a Faithful Navigator has the power to accept an application, add his name electronically to the Form and forward to me for processing. Supreme is loving this form because they can read all info without questioning signatures and other info that has not been clearly filled out.

With this said, I am asking **ALL future Form 4's** be electronically filled out and forwarded to me when completed. My assistance is always available. Two areas that seem to be missed on many of the forms I received in the past is that the Membership Number and Email addresses are missing. If you do not know where to enter this info, first look in the upper right corner of the form. This is where that Membership Number should go. As far as the email address, this is located in the blank area just above the name of the candidate. First Degree dates can be acquired from the FS of your council by looking at the Council Roster.

Here are the instructions to follow. Please reference these or call me with your questions.

1. Download the file.
2. Save file from your Download folder
3. Always make a copy of this file for your use.
4. Rename your copy -- Example (**McCann App.pdf**)
5. Open file with Acrobat
6. Move to area that needs to be edited and type in information
7. Save file and **send to FS** for his electronic signing. (**Remember Membership # and Email Address**)
8. **FS then sends to the Assembly's FC** for approval **with a check from Applicant.**
9. Assembly FN and FC should type in information, Proposer name, Assembly number and Membership Number and forward to me for processing. Format for Dates 6/23/21 do not use (-) or (.)
10. This process of filling out everything electronically is acceptable by our State Master, Glenn Camley, PSD and Supreme
11. Save a copy for your records. (All signatures can be done electronically)
12. Send Completed forms and checks to me for processing.

## ***BISHOP HEALY PROVINCE, DISTRICT OF NH: COLOR CORPS COMMANDERS***

Brother Knights,

Below is a list of Color Corps Commanders for specific listed 4<sup>th</sup> Degree Assemblies. As you can see, when District Marshall, Ron Metevier contacted or attempted contact with the Assemblies, there were a few Assemblies that we had a few issues with.

Some of the Assemblies did not respond to our request for contact and info. This is an area which we are looking to update for the State level, for the possibility of a presentation of Uniform being needed. If a specific Color Corps is not available in a noted area, we want to be able to reach out to and lean on another Assembly in the area for that support.

Some Assemblies responded that they do not have a Color Corps. While this is understandable for a few reasons, we on the District level want to be able to assist you in your Color Corps needs. Be it devising a plan that your Assembly can be represented for short term or even long term needs. We are always a phone call or e-mail away.

Some Assemblies responded with other needs, which we are working on tending to. However, we need to make sure that everyone understands that under no circumstances, are our Brother Sir Knights to continue using the now retired Cape and Chapeaux Regalia, which is no longer in use. We cannot say it enough, that further usage of the retired regalia, will result in reprimanding, up to and including possible membership repercussions.

If you are listed below as “no response”, please reach out to District Master, Glenn P. Camley at (603)682-5318 or at [gpcamley@gmail.com](mailto:gpcamley@gmail.com) with the required information. Name, address, and phone number. Please also note, e-mail address is also requested. Thank you in advance.
