Brother Knights,

“Set a goal to achieve something that is so big, so exhilarating that it excites you and scares you at the same time.” ~Bob Proctor

I’m sure that there have been many times in your life where you’ve set a goal. Somewhere you wanted to be in 5 years, 10 years, maybe when you wanted to retire? I’m even surer that there are those goals that you set on the days coming into the New Year? Take better care of yourself? Not unreasonable! Lose weight? Well, if you’re like me, that one has been a battle.

As Jolene and I have only come into the District Master position in September, within a few short weeks of having been notified of our appointment, we had cross our minds ... multiple “what if?” moments. And as natural as that sounds, we went through the same scenarios when we were elected to be New Hampshire’s 64<sup>th</sup> State Deputy. Just the same, as the District of New Hampshire’s 27<sup>th</sup> Master of the 4<sup>th</sup> Degree.

But, have you ever just said to yourself ... “There’s something greater on the horizon”?

As we have celebrated our First Sunday of Advent, we know that there is something greater on the horizon.

For Jolene and I, three months into our appointment, we have set goals for the District of New Hampshire that can be “so big” and “so exhilarating”, that all we have between now and fruition, is a timetable. That’s the exciting and scary part! And just as we did when we stepped into our State Deputy position and spoke with multiple Brother Knights and wives and families, talking about that timetable and getting from A to Z ... we’ll need to lean on our Brother Sir Knights, your wives and your families. There will be plenty of room for teamwork and “what if’s”. Most importantly, as we did with our two years as State Deputy, and leading up to the position, we’ll need your support.

We’ll be calling on many of you within the next month. There are multiple events coming up. Most importantly for our 4<sup>th</sup> Degree Assembly’s, is our Biennial Meeting tentatively being held in Salem and hosted by the Bishop Peterson Assembly #0641. Within our Program outline, we’ll obviously be conducting the usual business, however we’ll also have a few presentations for the good of your success. We’ll also be announcing an exciting program that is in the research and planning stages right now. I’ll be looking for great participation from our Assemblies, in honor of our Veterans.

In closing, as we approach our second week of Advent and our celebration of the birth of Jesus, Jolene and I wish you Peace in the excitement of this preparation, jubilation as you gather with your family and friends, and moments of reflection as we approach the New Year, that 2020 will be better than 2019.

God has a plan!  
Vivat Jesus,

## ***V@ LAUNCHES CEMETERY DATABASE:***

The screenshot shows the top of the Veterans Legacy Memorial website. It features a dark blue header with the 'Veterans Legacy Memorial' logo on the left, the U.S. Department of Veterans Affairs seal in the center, and the text 'U.S. Department of Veterans Affairs' and 'National Cemetery Administration' on the right. Below the header is a large image of the American flag. The main content area is white and contains a welcome message, search instructions, and a feedback statement. At the bottom, there is a search section titled 'Find Your Loved One:' with a text input field for the veteran's name, a search button, and three dropdown menus for 'Branch of Service', 'War Period', and 'Location'.

**Veterans Legacy Memorial**

U.S. Department of Veterans Affairs  
National Cemetery Administration

Welcome to the Veterans Legacy Memorial (VLM). VLM is an online memorial space for Veterans managed by the National Cemetery Administration (NCA) of the U.S. Department of Veterans Affairs (VA). NCA manages 136 national cemeteries as shrine spaces to honor our Nation's Veterans and extends memorialization of the 3.7 million Veterans interred in NCA cemeteries to this digital memorial space, providing a VLM profile page for each.

To find the memorial profile of a Veteran, please enter the name of your Veteran in the format of First Last with no commas ("John Doe" not "Doe, John"). To search with additional information (branch of service, cemetery name, etc.), please click on Advanced Search.

We hope you share your feedback so that we can continue to improve this memorial platform. You will find the Customer Support link at the bottom of this page.

Find Your Loved One:

Please enter Veteran's name as First Last

Branch of Service: War Period: Location:

All All All

VA has a new database that seeks to memorialize all of the more than 3.7 million veterans buried in the 136 national cemeteries run by the National Cemetery Administration (NCA). The Veterans Legacy Memorial project can be accessed at [Veterans Legacy Project](#)

The website allows the public to search for the location of a veteran's specific grave by entering the veterans name, service, war period or cemetery location. It will include only those veterans buried in the NCA's 136 cemeteries. It **WILL NOT** include veteran's buried at Arlington National Cemetery, which is run by the Army, or overseas cemeteries administered by the American Battle Monuments Commission.

***ASSEMBLY TAKES LEAD WITH 4<sup>TH</sup> DEGREE UNIFORM SUPPORT:***

***Bishop Bradley Assembly 626***

Sir Knights,

At a recent Bishop Bradley #626 Assembly meeting, a motion was passed to help their members purchase new uniforms.

A \$200 incentive will be provided to each of the first 12 members of Assembly #0626 to purchase new uniforms. The rules are fairly simple.

1. The member purchases the uniform. Purchases can be made from the Supreme Website at <http://www.kofc.org/en/members/for-patriotic-degree/index.html>
2. The member sends the receipt to our Faithful Comptroller and Faithful Purser
3. After the receipt is received, the Assembly will reimburse the member \$200 by check.

The hope is that this will help many of their Brother Sir Knights in moving forward with purchasing new uniforms, building upon their Color Corps and Honor Guard, as well as bringing back former Corps and Guard members.

What a GREAT idea!

## ***5 HONORABLE WAYS YOU CAN HELP VETERAN'S***

### ***1. TRAIN A SERVICE DOG.***

Service dogs are a great help to veterans with mobile disabilities and post-traumatic stress disorder, helping them rediscover physical and emotional independence. It takes approximately two years and \$33,000 to properly train one service dog, so donations and training volunteers are critical. Even if you aren't equipped to train a dog, some organizations need "weekend puppy raisers," which help service dogs learn how to socialize, play, and interact with different types of people.

There are several organizations that provide this service for veterans, including Patriot Paws and Puppy Jake.

### ***2. DRIVE A VET TO A DOCTOR'S @PPPOINTMENT.***

Many vets, especially those who are infirm or disabled, have trouble making it to their doctor appointments. If you have a driver's license, you can volunteer for the Department of Veterans Affairs (DAV) Transportation Network, a service provided by all 197 VA medical facilities. To help, contact the hospital service coordinator at your local VA Hospital.

### ***3. REPLACE ONE LIGHTBULB WITH A GREEN ONE.***

The "[Greenlight a Vet](#)" project is a simple way to remind yourself and others about the sacrifices veterans have made for our country, and to show your appreciation to them. Simply [purchase](#) a green bulb and place it somewhere in your home—a porch lamp is ideal since it's most visible to others. Over 9 million people across the nation have logged their green lights into the project's nationwide map so far.

### ***4. HELP THEM WITH JOB TRAINING.***

Adjusting back to civilian life isn't always smooth sailing. [Hire Heroes](#) helps vets with interview skills, resumes, and training so they can find a post-military career. They even partner with various employers to host a job board. Through Hire Heroes, [you can help](#) veterans with mock interviews, career counseling, job searches, workshops, and more.

### ***5. HELP BUILD A HOUSE.***

[Building Homes for Heroes](#) builds or modifies homes to suit the needs of veterans injured in Iraq or Afghanistan. The houses are given mortgage-free to veterans and their families. You can volunteer your painting, carpentry, plumbing, wiring, and other skilled services—or you can just donate to the cause.
