A 4TH DEGREE NEWSLETTER BY DISTRICT MASTER, GLENN P. CAMLEY, IPSD

My Brother Knights,

Welcome to the fourth edition of **Patriotic Review**, a monthly newsletter with all of the latest information on the Patriotic 4th Degree, as well as veteran related news from throughout the State of New Hampshire.

Thank you for all of the support with this 4th Degree Newsletter. I received a brief e-mail from a Brother Knight that I wanted to share with you. He said: *"I am enjoying the Patriotic Review and my Assembly is enjoying receiving them also, as I forward to all members who have email. One of my goals this year is to visit the veteran's in our local homes and bring them the Eucharist, chat, and discuss their service to our country."* (JJS)

Thank you, again. Comments such as those above are the reason why we do what we do, why I do what I do. The enthusiasm of the Faithful Navigator, above, is an indication of where we are headed, and why the 4th Degree is so important, worldwide and right here in New Hampshire. May that enthusiasm continue to grow, for the benefit of today's world, and for days to come.

God Bless
Glenn

Brother Knights,

*“Step up to the challenge, believe in yourself, and do what it takes.
Right now is a great time to start” ~unknown*

HAPPY NEW YEAR!

You and I have taken small steps over the last four months. And it is true that in small steps, rest great successes

Some of you may know of what is called “The Progress Theory”. It was developed by Teresa Amabile and Steven Kramer. They determined that achieving consistent, small wins was the biggest indicator of a rich inner work life. This rich inner work life, in turn, enables people to be more productive, more engaged, and more creative in the work that they do.

I first heard of the theory during Sociology class in High School. The theory, in our regard, rests not in setting one large goal for success, but rather, multiple goals or steps to achieve greater successes or satisfaction.

For instance, we might set a goal to increase our membership within our Assemblies. Smaller steps along the way to this goal, may be in working with your Councils within your area, in progressing our Brother Knights from having first attended their 1st Degree, to receiving their 2nd and 3rd Degrees, so that come June 2020, they will be able to join you within your Assembly, as your newest Brother Sir Knights ...

Your larger goal may be in performing greater service within your communities, through participation in an increased amount of Patriotic programming and events. Smaller steps along the way, may include finding out what the talents are of your Assembly Sir Knights. Are they proficient in organization? Do they have “connections” within your community that may better serve your community needs? Do those connections allow your Assembly to involve local Armed Service facilities, or Fire or Police Stations, in better serving those whom you aim to reach? Knowing where these talents exist, allow you to create multiple programming opportunities that serve communities at large, rather than individuals.

In 2020, leading up to our Biennial Meeting in March, through the end of the Fraternal Year, we aim to achieve success in increased membership within the Bishop Healy Province, District of New Hampshire. In mid-January, I will be announcing an Assembly membership campaign, with a very EXCITING incentive, for those Assemblies who bring in NEW 4th Degree Sir Knights, for the June Exemplification to be held in Rochester. Hold your breath ... it’s going to be a good one!

In closing, Jolene and I are excited to be a part of the District of New Hampshire. We look forward to bringing new and exciting initiatives to the District and in turn, to involve more of our Brother Knights in those successes. We know that we can’t do it without you, and so we look forward to furthering the support that you have given us thus far. God Bless us all on this journey, for He has a plan!

Vivat Jesus,

GLENN P. CAMLEY
DISTRICT MASTER
BISHOP HEALY PROVINCE

Brother Sir Knights,

Happy New Year 2020 and Blessings to All!

Now that the New Year is upon us, it's a good time to take stock of our successes and failures of the recent past and reckon a course forward. As you know, our order has made some significant changes recently. I remain convinced that these changes were carefully planned and in no way superfluous. Our Order is acting in the best interests of our members, our families, and our Church. If we fail to remain **RELEVANT** and **NEEDED**, we will surely fade away as we see so many other organizations doing.

Times have changed drastically, for the worse. A culture war is raging. There's scandal in the Church and many have fallen away, corruption in our governments at all levels, and division and isolation in our families. There's even a sense of lawlessness, disrespect, and hatred in our society. Many people are "flipping" to the other side. What are we knights doing?

Amid this turbulence, the triad emblem of the Fourth Degree provides us a course for action.

- a. The **DOVE**, symbolic of the Holy Spirit reminds us to empower our confirmation as a disciple of Christ with a sacramental life in the Church. In **Unity** with the Holy Spirit and endowed with His gifts, let us Sir Knights be an example to others observing the precepts of the One, Holy Catholic, and Apostolic Church and encouraging them to join us.
- b. The **Cross**, the sign of God's Love and covenant with man. Let us pray at the foot of His Cross where Jesus gave his mother over to the disciple whom He loved....and us. In **Charity**, let us pray the Rosary daily on our own and together whenever we meet.
- c. The **Globe** reminds us that God created the earth, things visible and invisible. Then He created us in His image and likeness. Our very own lives are a gift from God. Every life is unique and has purpose, and every life is worth living and defending. After all, He sent His only begotten Son to redeem us. In our **Fraternity**, let us be resolved to show our gratitude to our Lord and spend some time in His presence by making personal Holy Hours before His tabernacle where He is really, truly, and substantially present. Remember, our Lord is waiting there for you. Come sit in His presence with an open heart, in silence or prayer, and strengthen your friendship and fraternity with Christ.

Why are some members dithering with the changes of our Order when the world around us wobbles out of control? Instead, let us refocus ourselves by turning our backs to the darkness and towards the light of Christ. Let us also recommit ourselves to our leaders in our Order, that we may perform the glorious works of our order and the Fourth Degree. As Sir Knights, we are obliged to lead all of our members after the Cross. No one ever said it would be easy.

Vivat Jesus!

STILL LOOKING FOR A 4TH DEGREE QUARTERMASTER WITH STORAGE SPACE

We are looking for a "4th Degree Quartermaster". The hope is that the individual would be centrally located (Concord, Manchester, and Nashua). All individuals should contact

"JESUS SAVES LIVES": A SPECIAL CHRISTMAS STORY: AUTHOR UNKNOWN

About a week before Christmas a family bought a new nativity scene. When they unpacked it they found 2 figures of the baby Jesus. "Someone must have packed this wrong," the mother said, counting out the figures. "We have one Joseph, one Mary, three wise men, three shepherds, two lambs, a donkey, a cow, an angel and two babies. Oh, dear! I suppose some set down at the store is missing a baby Jesus because we have 2." "You two run back down to the store and tell the manager that we have an extra Jesus. Tell him to put a sign on the remaining boxes saying that if a set is missing a baby Jesus, call 7126. Put on your warm coats, it's freezing cold out there."

The manager of the store copied down mother's message and the next time they were in the store they saw the cardboard sign that read, "If you're missing baby Jesus, call 7126." All week long they waited for someone to call. Surely, they thought, someone was missing that important figurine. Each time the phone rang mother would say, "I'll bet that's about Jesus," but it never was.

Father tried to explain there are thousands of these scattered over the country and the figurine could be missing from a set in Florida or Texas or California. Those packing mistakes happen all the time. He suggested just put the extra Jesus back in the box and forget about it. "Put baby Jesus back in the box! What a terrible thing to do," said the children. "Surely someone will call," mother said. "We'll just keep the two of them together in the manger until someone calls.

When no call had come by 5:00 on Christmas Eve, mother insisted that father "just run down to the store" to see if there were any sets left. "You can see them right through the window, over on the counter," she said. "If they are all gone, I'll know someone is bound to call tonight." "Run down to the store?" father thundered. "It's 15 below zero out there!" "Oh, Daddy, we'll go with you," Tommy and Mary began to put on their coats. Father gave a long sigh and headed for the front closet. "I can't believe I'm doing this," he muttered. Tommy and Mary ran ahead as father reluctantly walked out in the cold. Mary got to the store first and pressed her nose up to the store window. "They're all gone, Daddy," she shouted. "Every set must be sold." "Hooray," Tommy said. "The mystery will now be solved tonight!"

Father heard the news still a half block away and immediately turned on his heel and headed back home. When they got back into the house they noticed that mother was gone and so was the extra baby Jesus figurine. "Someone must have called and she went out to deliver the figurine," my father reasoned, pulling off his boots. "You kids get ready for bed while I wrap mother's present."

Then the phone rang. Father yelled "answer the phone and tell 'em we found a home for the baby Jesus." But it was mother calling with instructions for us to come to 205 Chestnut Street immediately, and bring three blankets, a box of cookies and some milk. "Now what has she gotten us into?" my father groaned as we bundled up again. "205 Chestnut. Why that's across town. Wrap that milk up good in the blankets or it will turn to ice before we get there. Why can't we all just get on with Christmas? It's probably 20 below out there now. And the wind is picking up. Of all the crazy things to do on a night like this."

When they got to the house at 205 Chestnut Street it was the darkest one on the block. Only one tiny light burned in the living room and, the moment we set foot on the porch steps, my mother opened the door and shouted, "They're here, oh thank God you got here, Ray! You kids take those blankets into the living room and wrap up the little ones on the couch. I'll take the milk and cookies." "Would you mind telling me what is going on, Ethel?" my father asked. "We have just walked through below zero weather with the wind in our faces all the way." "Never mind all that now," my mother interrupted. "There isn't any heat in this house and this young mother is so upset she doesn't know what to do. Her husband walked out on her and those poor little children will have a very bleak Christmas, so don't you complain. I told her you could fix that oil furnace in a jiffy."

My mother strode off to the kitchen to warm the milk while my brother and I wrapped up the five little children who were huddled together on the couch. The children's mother explained to my father that her husband had run off, taking bedding, clothing, and almost every piece of furniture, but she had been doing all right until the furnace broke down. "I been doin' washin' and ironin' for people and cleanin' the five and dime," she said. "I saw your number every day there, on those boxes on the counter. When the furnace went out, that number kept going' through my mind. 7162...7162. Said on the box that if a person was missin' Jesus, they should call you. That's how I knew you were good Christian people, willin' to help folks. I figured that maybe you would help me, too. So I stopped at the grocery store tonight and I called your misses. I'm not missin' Jesus, mister, because I sure love the Lord. But I am missin' heat. I have no money to fix that furnace." "Okay, Okay," said father. "You've come to the right place. Now let's see. You've got a little oil burner over there in the dining room. Shouldn't be too hard to fix. Probably just a clogged flue. I'll look it over, see what it needs."

Mother came into the living room carrying a plate of cookies and warm milk. As she set the cups down on the coffee table, I noticed the figure of baby Jesus lying in the center of the table. It was the only sign of Christmas in the house. The children stared wide-eyed with wonder at the plate of cookies my mother set before them.

Father finally got the oil burner working but said, "You need more oil. I'll make a few calls tonight and get some oil. Yes sir, you came to the right place", father grinned.

On the way home father did not complain about the cold weather and had barely set foot inside the door when he was on the phone. "Ed, hey, how are ya, Ed?" "Yes, Merry Christmas to you, too. Say Ed, we have kind of an unusual situation here. I know you've got that pick-up truck. Do you still have some oil in that barrel on your truck? You do?"

By this time the rest of the family were pulling clothes out of their closets and toys off of their shelves. It was long after their bedtime when they were wrapping gifts. The pickup came. On it were chairs, three lamps, blankets and gifts. Even though it was 30 below, father let them ride along in the back of the truck. No one ever did call about the missing figure in the nativity set, but as I grow older I realize that it wasn't a packing mistake at all.

Jesus saves, that's what He does.

SIR KNIGHT ATTENDS COMMISSIONING OF MARINE 2ND LIEUTENANT:

Allen Ouellette, Brother Knight of Newport Council #4983 and Claremont Assembly #0635, recently attended a special Commissioning of Marine 2nd Lieutenant, Patrick Fitzgerald Henning.

Patrick, a 4th Degree Sir Knight and member of the Fr. Cote Assembly #0635 in Claremont, was commissioned by his father, a retired Navy Officer and Assembly member, as well.

Liam Ouellette, a member of the local Squires Circle, attended the historic event on the USS Constitution, with his Father, Allen.

In addition to Patrick and his Father proudly serving our country, the entire Henning family, including Patrick's Brother, Matthew, are 4th Degree Sir Knights.

Many thanks to Allen and Liam for supporting our men in uniform, and to the Henning family for their service to our country. We are proud to have all of you as Brother Knights.

NEW HAMPSHIRE VETERANS CEMETERY PLACES WREATHS:

Tens of thousands of volunteers laid wreaths at VA national cemeteries across the U.S. as part of National “Wreaths across America Day”, on December 14th.

Each December, [Wreaths Across America](#) coordinates wreath-laying ceremonies at Arlington National Cemetery, as well as at more than 1,600 additional locations in all 50 U.S. states, at sea and abroad

“Wreaths across America” was founded by Morrill Worcester, owner of Worcester Wreath Company, of Harrington, Maine.

All total, there were more than a dozen “Wreaths across America” ceremonies in New England.

The wreaths for Boscawen event held December 14th at the New Hampshire Veterans Cemetery, was extremely successful with support from throughout the town of Boscawen, as well as the State as a whole.

PHOTO IN SUPPORT OF ARMED SERVICES AND VETERANS, RECEIVES APPLAUSE:

This picture has been circulating online for the last couple of years! On behalf of our service men and women who are serving, have served, or paid the ultimate sacrifice for their country.

God bless, and Happy New Year.

NEW HAMPSHIRE VETERANS HOME MARKS PEARL HARBOR ANNIVERSARY:

TILTON, N.H. (AP) — [New Hampshire](#) marked the anniversary of the attack on Pearl Harbor with a ceremony at the state veterans home on Saturday.

U.S. Sen. Maggie Hassan was among those who spoke at the home in Tilton.

"We must always honor the sacrifices made by all of our veterans and service members by ensuring that our country is ever worthy of your service," she said.

She recognized Navy veteran Walter Borchert who served at Pearl Harbor during the attacks on December 7, 1941.

"I was eating an egg sandwich and drinking a cup of coffee when I heard this 'pow, pow, pow' noise," he told the Concord Monitor in 2017.

Borchert, who lives at the veteran's home, said he thought the noise was target practice at first. Decades later, he said he still has nightmares about the attack. "I wake up and don't know where I am," he said. "I hear bombs dropping."

WAYS TO GIVE BACK TO VETERAN'S

- **OPERATION WRITE HOME**

While active duty soldiers appreciate the huge amount of notes and letters they receive from citizens, many would prefer to be able to simply write home to their loved ones. [Operation Write Home](#) offers them that opportunity by sending blank, handmade greeting cards that service members can send back home, along with 20-30 letters of encouragement from citizens. OWH asks for supporters to donate money to help cover costs or to make their own card design to help brighten the correspondence of active military. Since 2007, nearly 2 million cards have been sent to soldiers overseas.

- **WOUNDED WARRIOR PROJECT**

Wounded veterans all require a different recovery process. The [Wounded Warrior Project](#) (WWP) provides rehabilitation, activities and career counseling for our nation's wounded warriors and their families. You can support the Wounded Warrior Project in a number of ways: by hosting a Supporter Event, sending letters to an injured service member, giving a monthly gift, or making a donation in honor of a loved one. This holiday season, WWP encourages supporters to establish employee giving drives by creating Casual Fridays, departmental competitions or office parties to benefit WWP.

- **DON'T FORGET ABOUT A SOLDIER'S BEST FRIEND**

Dogs are a big part of the lives of our soldiers and veterans. From military working dogs on the front lines to guide dogs providing safety and companionship for wounded veterans, military service dogs need love too. There are many programs to help provide for these brave dogs. Companies like Petco and natural pet food maker Natural Balance are [offering special treats](#) to raise money for a military service dog memorial. Working dogs have saved thousands of American lives and continue to impact the lives of thousands of veterans who have returned home.
