Brother Knights,

***“Life is either a daring adventure or nothing at all”***

***~Helen Keller***

It has already been three months since the first case of the coronavirus had been detected within the U.S. Since that time, and in the most recent month, we have all been on an emotional roller-coaster. Many of us, including myself, are ready for this to be over.

The Bishop Healy Province, District of New Hampshire is in a unique position to take an enormous step forward throughout the state of New Hampshire, as well as in your communities closer to your homes.

Stirring within the hearts of our American citizens, is quite possibly an enormous surge of patriotism waiting to be exposed.

Have we set ourselves up for that opportunity? Are we prepared, that we have created areas of visibility to ensure that our New Hampshire residents know who we are and what we stand for? Have we been planning our upcoming programming initiatives to better serve those in need? Does our community know that we are here to help?

I found Helen Keller’s quote pertinent to the time ... “Life is either a daring adventure or nothing at all”. As Knights of Columbus, men of service to our communities and the Catholic Church, we have never been ones to cower in the background. We have found that excitement and magic, and the “personal reward” and *daring adventure* is where the success rests in our outreach, or it’s *nothing at all*.

**So, let’s look at some of those opportunities, where the community can be invited to participate.**

- Assemblies can host flag folding ceremonies, with a small reception afterwards.
- Assemblies can host a question and answer period with local Veterans, with a reception.
- Assemblies can offer to support and post Color Corps at local patriotic events or funerals.
- Assemblies can plan/host a benefit banquet for Veteran’s Home, or benefit of a local program.

We will be called upon soon. When we are, we can either be ready for the “*daring adventure*”, or do “*nothing at all*”

Most importantly, Assemblies should be looking at their 2<sup>nd</sup> and 3<sup>rd</sup> Degree Candidates, in an effort to bring them aboard the Patriotic 4<sup>th</sup> Degree, fast approaching on June 13<sup>th</sup>. We want to see you there.

### ***NH State Council Passes Important Resolutions***

At our recent Annual State Convention for the New Hampshire State Council, the Delegates to the annual event, passed three important resolutions, showing important patriotic support in various ways.

The resolutions, “In Support of the American Flag”, “In Support of Columbus Day” and “Honoring the Service to the United States Uniformed Forces by Military Service Men and Women”, were sponsored by District Master, Glenn P. Camley, IPSD and passed unanimously, among those who voted.

The resolutions as voted on, are presented below.

#### ***Resolution In Support of the American Flag***

***Whereas***, the American flag has for generations been a symbol and a beacon of hope, democracy, and liberty throughout the world as well as here at home, and

***Whereas***, the ceremonial presentation of our American flag and the playing of the national anthem are completely linked to the sacrifices of our great men and women who fought for and continue to fight for our country, and

***Whereas***, the United States of America, because of its founding principles and its citizens who are committed to tirelessly defend its freedoms and cultivate the virtues of freedom, democracy, and liberty for people who strive for peace and prosperity for all, is the best institution of government and the best defender against tyrants and evildoers who seek power, wealth, and influence at the expense of the rights of others,

**Therefore,** Be it resolved, that the Knights of Columbus urges the citizens of our nation to treat the presentation of the American flag, the Pledge of Allegiance, and the playing of the national anthem with dignity out of respect for the freedoms that these symbols represent, and in honor of the brave men and women who fought and died protecting such freedoms, and to find other ways to bring attention to issues of concern, as important as they may be.

### **Resolution In Support of Columbus Day**

**Whereas,** on October 12, 1492, Christopher Columbus was the first of many to chart a course for the New World, and

**Whereas,** through Christopher Columbus's difficult journey across the Atlantic, he demonstrated for all to see, the strength of faith, courage, and individual initiative, and

**Whereas,** the readiness of Christopher Columbus to sacrifice the support of his home to pursue the unknown has inspired generations of adventurous explorers, and

**Whereas,** the Knights of Columbus have followed in the spirit of Christopher Columbus through the expansion of our Order, and

**Whereas,** Christopher Columbus continues to be a symbol of American individualism and progress, and

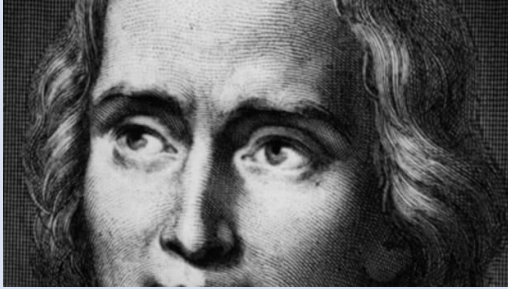

**Whereas,** Christopher Columbus has been honored and celebrated throughout the history of the United States, and

**Whereas,** Numerous Presidents have called upon the people of the United States to observe the day with appropriate ceremonies and activities, including the display of the United States flag on all public buildings in honor of Christopher Columbus, and

**Whereas,** Christopher Columbus had become an cultural hero as well as a national hero, and

**Whereas,** by commemorating the voyage of Christopher Columbus to the New World, Congress believed that the Nation would be honoring the strength and resolve, which enabled generations of immigrants from many nations to find freedom and opportunity in America,

**Therefore** Be It Resolved that the Knights of Columbus supports the celebration of Columbus Day and strongly urges the people of the United States to observe Columbus Day with appropriate programs and activities

***Honoring the Service to the United States Uniformed Forces Provided by Military Service Men and Women***

**Whereas**, countless men and women have given their lives in service to the United States on active duty and in retirement while providing support and comfort to their comrades and wounded brothers and sisters.

**Be Resolved** That, the members of the United States Uniformed Forces will continue to be treated with the honor commensurate with their service.

**Be It Further Resolved** That, this resolution honors the sacrifices made by servicemen and women on active duty as well as the services provided in retirement to all current and former

*members of the United States Uniformed Forces.*

***Be It Therefore Resolved*** That, on the occasion of this New Hampshire Knights of Columbus State Convention the Delegates recognize the service that the men and women of the United States Uniformed Forces have provided to our country.

***Be it further Resolved,*** that this resolution honors the sacrifices made by servicemen and women in combat as well as the services provided in retirement to members of the United States Uniformed Forces.

## ***State Veterans Cemetery receives donations:***

The New Hampshire State Veterans Cemetery recently received a valuable donation from White Mountain Mulch in Jefferson, and Miracle Farms in Moultonborough. The companies recently donated mulch and equipment, to the Cemetery, as well as Crews to assist with the work.

This is the second year in a row they have provided this amazing service! They help make the Cemetery a beautiful, peaceful tribute to our veterans and their families.

## ***VA and DoD Identification Card Renewal and Issuance Guidance***

VA and the Department of Defense (DoD) have taken action to minimize the number of non-essential required visits to identification (ID) card offices during the coronavirus public health emergency. If you have a VA or DoD ID card that has expired or is getting ready to expire, here are your options.

### **VA-issued Veteran Health Identification Cards (VHIC):**

- During the COVID-19 pandemic, Veterans enrolled in VA health care who are seeking [a brand new VHIC](#) (initial) should

contact their local VA medical facility for guidance on going to facility to request a card. Once issued, cards are valid for 10 years.

- Most Veterans will be able obtain a replacement VHIC (not initial VHIC) by contacting their local VA medical facility and making their request by phone, or they can call 877-222-8387, Monday through Friday, 8:00 a.m. to 8:00 p.m. ET. Once their identity has been verified, a replacement card will be mailed to them.

### **DoD-issued ID Cards:**

Detailed information concerning DoD ID Card operations during the coronavirus pandemic can be found at the DoD Response to COVID-19 – DoD ID Cards and Benefits webpage

(<https://www.CAC.mil/coronavirus>). For all information regarding DoD-issued ID cards, please contact the Defense Manpower Data Center Identity and ID Card Policy Team at [dhvacacpolicy@mail.mil](mailto:dhvacacpolicy@mail.mil).

Limited information follows:

### **Common Access Cards (CAC) (including military and civilian personnel):**

- DoD civilian cardholders who are transferring jobs within DoD are authorized to retain their active CAC.
- Cardholders whose DoD-issued CAC is within 30 days of expiration may update their certificates online to extend the life of the CAC through Sept. 30, 2020, without having to visit a DoD ID card office in person for reissue. Directions for this procedure may be found at <https://www.CAC.mil/coronavirus> under News and Updates / User Guide – Updating CAC/VoLAC Certificates.
- Cardholders whose DoD-issued CAC has expired will have to visit a DoD ID card office in person for reissuance. Visit <http://www.dmdc.osd.mil/rsl> to find a DoD ID card office near you and schedule an appointment at <https://rapids-appointments.dmdc.osd.mil>.

### **DoD-issued Uniformed Services ID Cards (USID) (including Reservist, military retiree, 100% disabled Veteran, and authorized dependent ID cards):**

- Expiration dates on USID cards will be automatically extended to Sept. 30, 2020, within DEERS for cardholders whose affiliation with DoD has not changed but whose USID card has expired after Jan. 1, 2020.
- Initial issuance for first-time USID card-eligible individuals may be done remotely with an expiration date of one year from date of issue. The minimum age for first-time issuance for eligible family members has been temporarily increased from 10 to 14 years of age.

## *They haven't heard from you:*

The daily casualties leave no doubt: with COVID-19, we face a once-in-a-century crisis on American soil. National Guard soldiers and Airmen have now been deployed in every U.S. state and territory. They've swapped out civilian clothes for camouflage and deployed to fulfill dozens of critical needs, including:

- ★ Assisting first responders with testing at hard-hit nursing homes
- ★ Helping local food banks with distribution
- ★ Putting critically-needed medical skills to work
- ★ Ensuring delivery of essential supplies and equipment
- ★ Sanitizing public spaces
- ★ Helping to produce essential personal protective equipment

They are healthy and strong, but this virus is dangerous for everyone. As our heroes bravely face the risks associated with this unseen enemy, they need to hear from grateful Americans like you. Will you let them know that their sacrifice is appreciated with a message of support? We've set a goal — 20,000 messages of support — and we can't do it without the help of patriots like you.

You'd be surprised just how much a few kind words help our troops push through the toughest obstacles. As always, we thank you for supporting the men and women of America's military.

## ***Bishop Healy Province, District of NH: Color Corps Commanders***

Brother Knights,

Below is a list of Color Corps Commanders for specific listed 4<sup>th</sup> Degree Assemblies. As you can see, when Ron Metevier, a member of the Master's Staff contacted or attempted contact with the Assemblies, there were a few Assemblies that we had a few issues with.

Some of the Assemblies did not respond to our request for contact and info. This is an area which we are looking to update for the State level, for the possibility of a presentation of Uniform being needed. If a specific Color Corps is not available in a noted area, we want to be able to reach out to and lean on another Assembly in the area for that support.

Some Assemblies responded that they do not have a Color Corps. While this is understandable for a few reasons, we on the District level want to be able to assist you in your Color Corps needs. Be it devising a plan that your Assembly can be represented for short term or even long term needs. We are always a phone call or e-mail away.

Some Assemblies responded with other needs, which we are working on tending to. However, we need to make sure that everyone understands that under no circumstances, are our Brother Sir Knights to continue using the now retired Cape and Chapeaux Regalia, which is no longer in use. We cannot say it enough, that further usage of the retired regalia, will result in reprimanding, up and to including possible membership repercussions.

If you are listed below as "no response", please reach out to District Master, Glenn P. Camley at (603)682-5318 or at [gpcamley@gmail.com](mailto:gpcamley@gmail.com) with the required information. Name, address, and phone number. Please also note, e-mail address is also requested. Thank you in advance.

***Nashua cancels this year's Memorial Day Parade:***

Nashua's 2020 Memorial Day parade, set for Monday, May 25, has been canceled.

Mayor Jim Donchess and Barney Barbera, chairman of the Mayor's Veterans Council, said Monday that the decision was made "in the interest of keeping Nashua residents healthy and safe in the midst of the COVID-19 pandemic."

"Like a lot of Nashuans, I very much look forward to our city's annual Memorial Day parade," Donchess said.

"The decision to cancel this year's event was a tough one, (but) in talking with Barney Barbera and other members of the veterans' council, we decided to cancel it to protect our residents during this difficult time.

"Don't worry – next year's parade is already on our minds and we can't wait to start planning," he added.

Barbera said cemetery ceremonies that normally accompany the parade have also been canceled. He's looking forward to when Nashua is on the other side of this health crisis.

"To our veterans' groups, school bands and other participants, we are hoping to see you soon," said Barbera. "Keep doing what you're doing, stay safe."

Barbera added that the city's annual Veterans Day parade is still on this year, set for Nov. 11.

## ***Concord's Memorial Day parade cancelled because of Pandemic:***

The Concord Veterans Council canceled the city's annual Memorial Day parade on Thursday, following in the footsteps of other veterans groups across the state.

"We just didn't want to take a chance of getting a whole bunch of people around each other with all of the restrictions and public health concerns right now," said Paul Lloyd, president

of the Concord Veterans Council. "We can still honor the fallen, we just don't need to do a parade."

With Memorial Day still a month away, other towns and cities in the state have also raised concerns about hosting parades during the COVID-19 pandemic, and canceled their planned events to celebrate the holiday.

Officials in Seabrook called off their parade earlier this week. The New Hampshire State Veterans Cemetery in Boscaawen canceled its annual ceremony a more than month ago, Lloyd said.

Lloyd said Manchester's parade, one of the state's largest, is on hold for the time being.

Organizers tasked with coordinating social larger events across the state have been in limbo as they try to plan into the summer months.

The Concord Veterans Council, which has organized the parade since 1950, will still put wreaths out on veteran's monuments in the city on Memorial Day weekend, Lloyd said. Volunteers have already been visiting the city's 14 cemeteries practicing social distancing as they replace flags near the headstones of service members. "They've been working on that individually for a few weeks, and that will continue until we're done," Lloyd said.

Lloyd said the parade has been canceled once or twice – each time because of weather – since he joined the council in 2000. "We've been very fortunate to be able to do it every year," he said. Participation in the Concord Veterans Council was waning in recent years and in 2017, the group only comprised of three members: Lloyd, a secretary and treasurer. Recently, a few younger veterans, including Lloyd's stepson, have joined, he said. The group has 20 volunteers working to replace flags in the cemetery.

The veteran's council receives \$5,000 a year from the city to put on its events. He said the decision to cancel the Memorial Day parade was not an easy one. The group discussed its plans over the course of several weeks.

In addition to public safety concerns, Lloyd said the veterans group was worried about finding community members who would be able to participate in the parade.

“With school out, they weren’t sure we would be getting school bands,” he said. “Then, it’s just a bunch of people walking down the street. You can’t really have a parade without a band.”
