Brother Knights,

Apologies to you for a later than usual monthly edition of “Patriotic Review”. It has truly been an extremely busy month leading up to the publication of the newsletter. Our next edition will still be released the first week of September.

I am proud to have represented the Knights of Columbus, New Hampshire State Council as a Delegate to the Supreme Convention. The worldwide meeting was to be held in our nation’s Capital, in Washington, DC, however, with the restrictions and precautions put in

place, the meeting, like all others that we have been holding statewide, was turned into a virtual gathering. Your Delegates were able to meet at any location of our choosing, where we would log in through a virtual connection and celebrate along with members worldwide. More on the venue and great celebrations to come in the near future, from your State Deputy, Joseph J. Kowalik, III.

Again ... many thanks from Jolene and I for your support over the years. EXCITING days to come!

Even though we are in the middle of the coronavirus (covid-19), we are still actively planning multiple activities and events, designed to increase participation of our 4th Degree on the District of New Hampshire level. These are all outlined within this newsletter, which I am encouraging you to share with your Brother Knights and family members.

We held our first 4th Degree Uniform raffle, with the winning raffle ticket having been purchased by Bishop Bradley Assembly #0626. In speaking with Faithful Navigator, Chip Lukitsch, the Assembly had multiple options in mind, in which to award the new uniform to an Assembly member, and I will be awaiting that announcement, to get our new Corps Members suited up. Our next “Uniform Raffles” has already started up, and so members can send in entries in to me at

Glenn P. Camley
287 Daniel Webster Highway
Boscawen, NH 03303

For the FIRST time in the history of the District of New Hampshire, we will be offering the option of purchasing a 4th Degree shirt. Details are included on page 15 of this newsletter, and Secretary to the District Master, Ed McCann, PSD is taking orders as we speak. The red polo shirt will have a pocket for name badge and will be offered in both men’s and women’s versions, with the same lightweight material still being offered as the State Council shirts. The shirt will have stitched around the logo “4th Degree District of New Hampshire” and “God Bless America” will be stitched on the sleeve.

Our next 4th Degree Exemplification has been scheduled for November 14th 2020, with a location to be released in the near future. While we are still unsure of the “climate” that we will be experiencing at that time, we are actively looking at a full days schedule that will include lunch as well as the Dinner Banquet that we have come to expect with the days historic event. That being said however, we need to reserve the right to adjust the day’s schedule, so that it becomes an “Economical Degree” minus the evening Banquet. At that time, we can either refund the amount of the Banquet Dinner, or it can be held and tracked for a later date where we would all like to celebrate at a Banquet together.

We are EXCITED to have not one but two membership recruitment drives going on right now.

We have the fraternal yearlong “\$1,000.00 Membership Campaign”, designed to award Assemblies who during the course of the fraternal year, recruit the most members in joining the 4th Degree.

As of right now, **Msgr. Randy D. McClellan Assembly #3594** has recruited 4 NEW members. Because they are the only ones who have sent in applications and registration packets, these applicants are worth \$1,000, pending that they take their 4th Degree.

As of right now, our **TOP PROPOSER is Faithful Navigator, Jay Morris, with three (3) applications and packets having been sent in**, with **Steve Murphy coming in 2nd**. Right now, Jay is in line for a NEW 4th Degree uniform, but Jay is on his tail, looking to bring in more. Will your Assembly and Brother Sir Knights get in on the competitions and give Assembly #3594 and Jay and Steve a run for their money?

Find out more in our next Patriotic Review newsletter.

We are all EXCITED for the year ahead, and look forward to your continued and increased participation. Please feel free to reach out to me any time, if you have any talents that you wish to offer to the success of the 4th Degree District of New Hampshire. Our growth will be your continued success.

Brothers All,

I hope all is well with you and your families.

I have a few important updates for your consideration.

1. As you are aware, the Supreme Convention in Washington DC this year was cancelled and was instead a virtual event. So will it be for the Supreme Assembly meeting which will be a virtual event being held sometime in September. According to Section 12 Provincial Assembly in the Laws and Rules Governing the Fourth Degree, this forces our provincial meeting into October. I will announce the date and particulars under separate cover. It has not been made known to me if this will delay the appointments of district masters. My sense is that it will not but we need to wait and see what happens.

2. I received the good news recently that the virtual presentation of the 4th Degree was finalized and went into production. I expect copies to be sent out to every master and vice supreme master very soon. We will start planning exemplifications now. We now have three ways to conduct an exemplification:

- a. The traditional exemplification with banquet and ladies' tea.
- b. An "economical" exemplification with candidates and sir knights only which may be preceded or followed by a light lunch. Typical costs are \$40-\$50 per candidate.
- c. The virtual presentation

Looking back, our province has not held an exemplification since last November and we've been hurt by it. Through no fault of our own, this COVID-19 thing has put us into a bind. We need to work around this problem and soon. I think the virtual degree will help us.

Thanks for all you do. Keep your swords bright for Liberty's sake!

Vivat Jesus!

Please Note: When sending email to me, please use emccann777@comcast.net. If you happen to receive any email from me using my g-mail account, please reply with the email address from comcast above.

As you know, I am the Secretary to the District Master. I would ask all Faithfull Navigators and Faithful Comptrollers to forward all forms that you send into Supreme, to me. I am the record keeper for the NH 4th Degree. We keep all files backed in case Supreme reports they do not have your copy. Those with an **X** have been received. **PLEASE** send only .pdf files as jpeg files take more room to store and are sometimes hard to read. We use these files for our communications to the Assemblies, Please send as soon as possible. If you are not using Member Management, I would offer my help getting on board with this software. Your consideration is appreciated.

Brother Sir Knights,

I found myself thinking any possibility that things would slow down and take a turn for the better, in my opinion, just doesn't seem to be on the horizon. Then I remembered one of my political heroes who no matter how bad things seemed to be always faced it with a smile and wit.

There is less than 100 days until we have a chance to express the highest secular privilege in our country, VOTING. This year we have a clear choice for our society and country and no matter what that choice is it will dramatically set us on a course that will be impactful for decades. Once more we are being asked to stand up and be counted. Your progeny depends on you to be counted this year making sure that your voice is heard loud and clear. Whatever your belief in the candidates' positions you owe the generations to come to know that your decision was registered.

AN AFFIRMATION OF NISEI VALOR

JAVA celebrates Harry Truman's tribute to 442nd RCT

Seventy-four years ago, on July 15, 1946, at 12 noon, President Harry Truman reviewed the 442nd Regimental Combat Team at the Ellipse of the White House, following its march down Constitution Avenue, and decorated its colors with its seventh Presidential Unit Citation.

The Japanese American Veterans Association (JAVA) commemorated the 1946 ceremony on July 15, at 12 noon, by laying a wreath at the Price of Freedom Wall, National World War II Memorial, in Washington, D.C. in honor of the Nisei soldiers who served in World War II.

The review by President Truman was a historic event because the 442nd Regimental Combat Team was a segregated, all Japanese American combat unit, except for its officers. Over its short history, the 442nd created a combat record that is unmatched.

VA offers debt relief to Veterans through year's end

VA this month announced its commitment to extend debt relief to Veterans adversely impacted by COVID-19 to the end of 2020 by suspending certain debt collection actions.

The department recognizes Veterans and beneficiaries are still being greatly impacted by the coronavirus prompting the extension of financial relief.

"Veterans and their families should be focused on their health and safety during the pandemic," said VA Secretary Robert Wilkie. "VA is taking action to give those with pending debts greater flexibility during these challenging times."

VA is suspending all actions on Veteran debts under the jurisdiction of the U.S. Treasury Department. This includes the suspension of collection action or extending repayment terms on preexisting VA debts, whichever the Veteran prefers.

For benefit debts, Veterans should contact the VA Debt Management Center at 1-800-827-0648.

For health care debts, Veterans should contact the Health Resource Center at 1-866-400-1238 or <https://www.pay.gov> for payments.

As I mentioned in last months' newsletter, it is my objective to talk with each Faithful Navigator in the state. It would be helpful if you dropped an email with your contact information.

I would also encourage the reader of this report to contact me and let me know what you would like to see in this section in the coming months. I will do my best to meet the interests of the readers and provide information that you would be interested in reading.

Stay tuned to space in this monthly newsletter in the coming months, as we give more details about Honor Flight Network and initiatives that we pursuit to become a part of our patriotic programming.

Your gift makes an incredible impact on the lives of our veteran neighbors!

- You will help Liberty House better meet the increasing demand for its services among homeless and at-risk veterans, many of whom have nowhere else to turn.
- You will almost triple the residential capacity of our sober transitional living program and fund the renovations that'll enable us to open our doors for a wider veteran population, including retired and disabled veterans.
- You will enable us to offer a more diverse set of services and make a lasting, positive impact for many more veterans on the road to recovery and a better life.
- You will help build on our mission of remembering, honoring and supporting our veterans and support our future growth

About Mission Renovate & Restore

Funds from Mission Renovate & Restore will support the first phase of renovations and retrofitting for the future home of Liberty House, a 16,000-square-foot facility in Manchester. It includes the creation of 13 new bedrooms, handicap-accessible bathrooms, entryways and living spaces, and the remodeling of the building's library, resource room and case management services room. The renovations will enable Liberty House to provide transitional living services for retired and disabled veterans and short-term emergency beds for veterans who are awaiting housing, in addition to the homeless veterans in recovery that it already serves.

About Liberty House

Since 2004, Liberty House has responded to the dynamic needs of homeless and at-risk veterans with transitional housing, as well as recovery, job placement, and mental and physical wellness programs. We also proudly serve vulnerable veterans who require food, clothing, community referrals and various advocacy programs. Liberty House relies exclusively on private donations and does not accept state and federal funding in order to maintain our zero-tolerance alcohol/drug policy.

UPDATED VETERANS CEMETERY COVID-19 POLICY – EFFECTIVE JUNE 15, 2020

- 1) As of Monday, June 15th there is no longer a restriction on the number of guests that can attend a service.
- 2) We strongly recommend that guests wear masks while attending services.
- 3) Social distancing from cemetery staff, clergy, Honor Guard, and funeral directors is required. Social distancing among guests is strongly suggested.
- 4) Pall bearers, family and/or funeral directors will move the casket, if applicable. We do request that face coverings are worn.
- 5) Military Honors are being conducted by all branches.
 - a. The Honor Guard may have masks available and will wear them at the request of the family.
 - b. Presentation of the flag is at the discretion of the family. If the flag is presented by the honor guard, it is strongly recommended that the person receiving the flag and anyone in the vicinity wear a face mask. The other option is to have the military fold the flag and return to the casket or urn table for the family to retrieve after the service. Some military branches are directed to place the flag on the casket or urn table to avoid direct contact.
 - c. The Army and Air Force are not able to provide firing details at this time. The Coast Guard, Navy and Marine Corps do not provide firing details.
- 6) Families may arrange, at their own expense, for a firing detail provided by a Veteran Service Organization.
- 7) Please take all directions from the cemetery staff.
- 8) Guests must leave the burial site immediately after the service is complete.
- 9) Services are still limited to 20 total minutes.
- 10) The chapel is available for services. Chairs will be six feet apart. Masks are required inside the chapel except when speaking from the podium. The maximum number of guests in the chapel is 20.
- 11) Funeral Directors and family members are encouraged to continue electronic exchange of paperwork.

NOTES ON "FORM DUE DATES"

It's not too late ...

There are some Assemblies that as of July 1st 2020, have not filed the below reports. These reports are imperative in the operation of your Assemblies. Please remember that when you file these reports, that a copy needs to be e-mailed to both District Master, Glenn Camley as well as Vice Supreme Master, Richard McDermott. Those e-mails can be sent to the below addresses.

District Master, Glenn P. Camley, IPSD gpcamley@gmail.com

Vice Supreme Master, PSD rpmcdermott@charter.net

There are multiple Assemblies who have not submitted copies of their Audit's to the District level at the e-mail addresses above, or more importantly, to Supreme. These HAVE TO BE CAUGHT UP ON!

The NEW Assembly Audit was due August 1st

BISHOP HEALY PROVINCE, DISTRICT OF NH: COLOR CORPS COMMANDERS

Brother Knights,

Below is a list of Color Corps Commanders for specific listed 4th Degree Assemblies. As you can see, when District Marshall, Ron Metevier contacted or attempted contact with the Assemblies, there were a few Assemblies that we had a few issues with.

Some of the Assemblies did not respond to our request for contact and info. This is an area which we are looking to update for the State level, for the possibility of a presentation of Uniform being needed. If a specific Color Corps is not available in a noted area, we want to be able to reach out to and lean on another Assembly in the area for that support.

Some Assemblies responded that they do not have a Color Corps. While this is understandable for a few reasons, we on the District level want to be able to assist you in your Color Corps needs. Be it devising a plan that your Assembly can be represented for short term or even long term needs. We are always a phone call or e-mail away.

Some Assemblies responded with other needs, which we are working on tending to. However, we need to make sure that everyone understands that under no circumstances, are our Brother Sir Knights to continue using the now retired Cape and Chapeaux Regalia, which is no longer in use. We cannot say it enough, that further usage of the retired regalia, will result in reprimanding, up to and including possible membership repercussions.

If you are listed below as "no response", please reach out to District Master, Glenn P. Camley at (603)682-5318 or at gpcamley@gmail.com with the required information. Name, address, and phone number. Please also note, e-mail address is also requested. Thank you in advance.
