My Brother Sir Knights,

I am asking all Faithful Navigators and Comptrollers to take a look at the Spreadsheet below. If you do not see an "X" next to your Assembly, then this document is missing at the State Level. Please understand that when completing one of these forms, it is the Assembly's duty to send a copy to Supreme and to the District Master, Glenn Camley, PSD or myself directly. I maintain a list of those files received and archive your documents as backup for your Assembly. I also report on a regular basis to our District Master on what documents have been received and those that have not.

Second, I look at your audits and offer help to your Assembly if I find errors within the audits. I offer my help not to just make things right but to assist you and your officers for a smoother running operation. If you have any questions or concerns, please free to call me or email me.

Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same.

~Ronald Reagan

Brother Sir Knights,

It has been three months since I last communicated with you. It has been three months that I will never forget because it is unlike any three months in my past seventy-three years. We have seen 250,000 of our fellow Americans die from a pandemic that came from China. We have witnessed our President impeached. We live in a country that the Little Sisters of the Poor" have to defend themselves against a demand that they supply contraception to their employees. We have seen our freedoms challenged by Federal, State, and Local fiats, all in the name of "for the greater good". But we have seen a record turnout for a Presidential election, 66.5% of eligible voters, that height has not been approached since the 1880s when it reached ~82%. We no longer stand on the sidelines and watch what is happening and voting is one way to impact our future. COVID-19 has knocked us back on our heels where the normal way of supporting our vets can't be used. We must come together, in our Assemblies to create new ways to support these men and women. We need to dedicate ourselves to come together in prayer for our country, our vets, and our fellow Americans.

VA SOLID START PROGRAM MAKES STRIDES IN FIRST YEAR

Successful contact made with recently separated Veterans during first 365-days following transition from military service

WASHINGTON — The U.S. Department of Veterans Affairs (VA) announced today, as VA Solid Start celebrates its one year anniversary — the Veterans Benefits Administration connected with nearly 70,000 newly-separated service members.

Annually, the program aims to proactively contact Veterans three times during their first year of transition from military to civilian life at the 90-, 180- and 360-day mark after separation.

VA, in collaboration with the Department of Defense and Homeland Security, launched VA Solid Start December 2019 in response [Executive Order \(EO\) 13822: Supporting Our Veterans During Their Transition from Uniformed Service to Civilian Life](#)

INTRODUCING THE WWI MEMORIAL "VIRTUAL EXPLORER"

The Doughboy Foundation is proud to offer you WWI Memorial "Virtual Explorer" App in cooperation with the United States World War One Centennial Commission.

The free, innovative Augmented Reality Smartphone App for iOS and Android mobile devices, allows users to take a virtual field trip to the National WWI Memorial being built in Washington DC.

Developed under an education grant from Walmart, the mobile device App places a scaled version of the entire 1.8-acre WWI Memorial anywhere including backyards, driveways, living rooms, and more.

The virtual Memorial is filled with WWI explorations and discoveries including video game style 3D stories and over 50 videos integrated into the 3D space. Together they present various aspects of WWI, “The War that Changed the World”.

Although WWI is not a major focus in American education today, the War had a deep and lasting impact on nearly every aspect of American society and culture.

VA RECOGNIZED FOR IMPACT ON LIVES OF BLUE WATER NAVY VETERANS

WASHINGTON — The U.S. Department of Veterans Affairs (VA) announced today the Association of Marketing and Communication Professionals has awarded the Veterans Benefits Administration (VBA) Blue Water Navy (BWN) communications and outreach campaign with a 2020 MarCom Platinum Award.

The campaign increased awareness about the BWN Vietnam Veterans Act of 2019 which extended the presumption of exposure to herbicides such as [Agent Orange](#) to Veterans who served in the offshore waters of the Republic of Vietnam during the

Vietnam War.

FRANKLIN CHANG: AN UNUSUAL CHALLENGE IN THE KOREAN WAR

Franklin Chang was a Chinese American Marine who served in the Korean War. He faced tense encounters and exclusion but fearlessly completed his mission. His example continues to inspire today. Franklin Chang served as a rifleman in the Marines during the Korean War. Born to a Chinese immigrant father and a Chinese-American mother in the San Francisco Bay Area, Chang did not speak any Chinese and attended an American school.

SITUATION UPDATE – VAMC MANCHESTER, NEW HAMPSHIRE

To our Veterans, because your health and safety are our top priority, the following changes will be enforced upon entering the Manchester VA Healthcare System on Monday, November 23, 2020:

Visitors: Only pre-approved visitors will be allowed in the medical center to accompany you to your appointment.

We understand that many people prefer to bring someone with them to their medical appointments for various reasons. However, due to our current surge of COVID-19 cases in NH, we must do everything we can to protect our high-risk Veterans. Limiting people inside the buildings is an evidenced based method to support this goal. We ask that you discuss with your care team how you might have someone on the phone during your appointment if this helps provide you a

similar level of support. We realize this will not feel quite the same, but the current situation does not allow for variation.

STOP COVID-19

VISITOR RESTRICTIONS

There are only few exceptions to this limited visitor policy, and those are determined by your health care teams. If you feel you need an exception, please discuss this with your health care team before the appointment date, so the team can consider approval and have the visitor added to the pre-approved list for entry.

*****It is important to know that if your visitor is not on the pre-approved list, they will not be allowed in the building*****

MASKS: Surgical masks will now be the required form of mask for all Manchester VA Healthcare employees and Veterans. If you do not have a surgical mask, one will be provided for you. No cloth masks will be allowed.

Together with you we will work through this difficult time. We wish you a safe and healthy season.

Veterans, our workforce has missed your presence at the medical center, and we remain committed to your safety. For you to have the best possible experience we are sharing what you should expect when visiting the medical center and what we need from you:

- Please call to confirm all appointments before coming to the medical center
- For the safety of our staff and Veterans, Virtual

Care will continue when appropriate

- Face to Face appointments will take place as deemed clinically appropriate by your provider
- As you enter the parking lot, there are staff members available who will ask you a few questions and guide you where you need to be
- You will be allowed to enter the facility if you have an appointment
- Lab services are by appointment only, and your provider will advise you if labs are required
- Pharmacy - Veterans may request refills/renewals by contacting the refill line at Refill Line: (603) 626-6543, or by mailing in refill slips complete and return by mail to the address on the slip
- Screening – Upon entry into the facility you will have a contactless body temperature scan done, and asked if you have any of the following symptoms:

Important to note:

- If anything changes prior to your appointment, please call the facility at **800-892-8384 x3199** as you will not be allowed into the building for your appointment.
- If you have been tested for COVID-19 and are positive or pending results, please stay home and contact your provider for guidance.
- All who enter the medical center are required to wear a mask. A mask will be provided to you at the screening point of entry if needed.
- To reduce foot traffic, we are asking Veterans to report to the facility 15 minutes prior to their appointment. (Appointments are required to any destinations of interest for your safety).
- Expect to be attending your appointments independently unless an escort is medically required
- Individuals under the age of 18 years old will not have access to the medical center
- When you check out, please ask your clerk if they can help you with other medical center business you need to conduct (again to reduce foot traffic and keep you safe).
- Expect things to change! We are working out every detail to ensure your safety, and with that comes continuous monitoring of emerging guidance from VA, local, state and federal

Thank you in advance, your support ensures the safety of all.

As I mentioned in last months' newsletter, it is my objective to talk with each Faithful Navigator in the state. It would be helpful if you dropped an email with your contact information.

Brothers All,

VETERANS–NOT FORGOTTEN

In our isolated existence, it seems so easy to forget important events and milestones. Thanks to all of you for your efforts to remember our veterans with your calls to muster our color corps, even when public gatherings were limited. In this vein, please see the attached article appearing in the Marine Corps League's Semper Fi magazine about Father Matt Wescott, current pastor at St. Mary Church in Foxboro, MA, Father Wescott was the most recent honored recipient of the

prestigious Lantern Award by the Massachusetts State Council in 2019. I would be remiss if I didn't wish our beloved US Marine Corps with a happy 245th birthday.

BLESSED MICHAEL MCGIVNEY

I didn't get a chance to thank State Deputy Gary McKeone for spearheading his jurisdiction's efforts to support the Beatification of our founder Blessed Michael J. McGivney on Oct 31, 2020, and the McGivney festival held at St Mary's Church in New Haven, CT on the weekend Oct 30 – Nov 1, 2020. Unfortunately, the turnout was suppressed due to the covid-19 protocols but nonetheless, the activities were all impressive and well-staffed. Thanks also to District Master Kevin Donovan and his team for heading up the color corps and their support for all of the Masses and vigils at our founder's tomb. I was truly fortunate to make this a pilgrimage and to participate with my brother knights. Let's all continue to pray that the third and final step to full sainthood for our beloved founder will happen quickly.

4TH DEGREE CANDIDATES

I believe we are ready to establish at least two virtual fourth degree (VFD) teams who can present degrees for the entire province and more, if necessary. If we start now, we can be ready to go in the very near future. More on this soon. Obviously, there's nothing like a "live" performance so we'll need to make sure our new sir knights are present as spectators at the next opportunity.

Marie and I wish all of you a very Merry Christmas.

Vivat Jesus!

Brother Knights,

“It was the best of times, it was the worst of times ... it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair.” ~**Charles Dickens, *A Tale of Two Cities***

While Charles Dickens was referring to times of controversy between the cities of Paris and London, I found portions of the novels opening scene, were relevant to our time of uncertainty during the coronavirus. We have experienced hardships, however, we have celebrated strength at the hands of our Sir Knights, steadfast pillars of our communities.

So much has happened within our Assemblies, as I've seen and heard of your good works from our District Team, as well as from seeing your posts on Facebook and through other forms of multimedia. I've received many of your newsletters and various e-mails, and I appreciate you keeping me in the loop.

December is a beautiful time of the year ... the celebration of Advent, culminating with the recognition of the birth of Jesus. During this time, there will be opportunities for your Assemblies to support your Priests at Mass and various liturgical celebrations. Reach out to your Church leaders, and offer the support of your Sir Knights in uniform. Your presence is greatly needed, and will create visibility for the Knights of Columbus. While the time of Christmas isn't a time of organized recruitment, this special time will offer us the opportunity for the Order. And ... a special nod of recognition from your Pastor will give greater support in the eyes of your fellow parishioner's. These men will be our future Sir Knights.

While the months ahead offer uncertainty throughout the world, I promise that all of the decisions that our team and I make, will be in the best interest of the District. We realize that our Assemblies are biting at the bit to have candidates exemplified to join them within the 4th Degree. We have limitations from the Bishop and the Diocese of Manchester, and from the State of NH overall, and these we must follow.

We will have multiple virtual Degree opportunities to celebrate. In addition, some will be Assembly based for those joining a newly established Assembly. Some will be geared toward our younger generation, studying at one of our active College Council's. When our Veteran's Council in Tilton begins meeting again, we will look at moving our Brother Knights through their Multi-Degree and onward to being recognized as 4th Degree Sir Knights. We are also looking at Economical Degree possibilities for small groups of candidates who wish for the experience of an in person Degree, minus the Banquet and fully organized celebration. And ... not too far off in the distance, we whole heartedly desire the celebration of a Full Degree in Rochester on Saturday, June 12th. The worst of times, will soon become the best of times.

Jolene and I wish you and yours a Merry Christmas, filled with the love and joy you all so richly deserve.

GREAT UPDATES FROM DISTRICT MASTER, GLENN CAMLEY, IPSD

For the FIRST time in the history of the District of New Hampshire, we have been offering the option of purchasing a 4th Degree shirt. Details have been detailed in multiple newsletters and emails, and Secretary to the District Master, Ed McCann, PSD has been taking orders for a while now. The red polo shirt will have a pocket for name badge and will be offered in both men's and women's versions, with the same lightweight material that has been offered as the State Council shirts. The shirt will have stitched around the logo "4th Degree District of New Hampshire" and "God Bless America" will be stitched on the sleeve. **Secretary, McCann had found that the information on the availability of these shirts had not been shared from Faithful Navigator's to members of their Assemblies, etc. This is a valuable opportunity in sharing the outreach of the 4th Degree. Some Assemblies had been purchasing shirts for their Faithful Friars as a thank you gift. A great gesture for their continued support. Our first order will be picked up by Ed within the week. At this time we have ended ordering shirts for this batch run. Ed will still make a list of those who request a shirt for themselves, wives and others, to be placed in the near future. However for now, this large order went in as is. Thank you for your support!**

We are EXCITED to have not one but two membership recruitment drives going on right now.

We have the fraternal yearlong "\$1,000.00 Membership Campaign", designed to award Assemblies who during the course of the fraternal year, recruit the most members.

As of right now, **Msgr. Randy D. McClellan Assembly #3594** is leading in one competition, having recruited 7 NEW members. Additional Assemblies have recruited multiple members, and are also in contention. Because they are the only ones who have sent in applications and registration packets, these applicants are worth \$1,000,

pending that they take their 4th Degree.

As of right now, our **TOP PROPOSER is Faithful Navigator, Jay Morris, with five (5), with Steve Murphy coming in 2nd**. Right now, Jay is in line for a **NEW 4th Degree uniform**, but Steve is on his tail, looking to bring in more. Will your Assembly and Brother Sir Knights get in on the competitions and give Assembly #3594 and Jay and Steve a run for their money? Find out more in our next Patriotic Review newsletter.

We are all EXCITED for the year ahead, and look forward to your continued and increased participation. Please feel free to reach out to me any time, if you have any talents that you wish to offer to the success of the 4th Degree District of New Hampshire. Our growth will be your continued success.

4th Degree

Due to the Coronavirus as well as Statewide and Diocesan health restrictions, our full 4th Degree in November had been CANCELLED!

In the meantime, we are feverishly working on avenues to hold multiple Economical Degrees in various locations throughout the State, in order to move our valuable candidates forward ... including

The Lakes Region and Southern parts of New Hampshire.

We have also just received an online script creating the possibility of the NH District holding an “Online Degree”. This may be an important avenue as the Coronavirus cases increase.

PLEASE keep spreading the word throughout your Councils regarding the benefits of becoming a Sir Knight, and celebrating with our Brother Knights at the NEXT PATRIOTIC DEGREE.

BISHOP HEALY PROVINCE, DISTRICT OF NH: COLOR CORPS COMMANDERS

Brother Knights,

Below is a list of Color Corps Commanders for specific listed 4th Degree Assemblies. As you can see, when District Marshall, Ron Metevier contacted or attempted contact with the Assemblies, there were a few Assemblies that we had a few issues with.

Some of the Assemblies did not respond to our request for contact and info. This is an area which we are looking to update for the State level, for the possibility of a presentation of Uniform being needed. If a specific Color Corps is not available in a noted area, we want to be able to reach out to and lean on another Assembly in the area for that support.

Some Assemblies responded that they do not have a Color Corps. While this is understandable for a few reasons, we on the District level want to be able to assist you in your Color Corps needs. Be it devising a plan that your Assembly can be represented for short term or even long term needs. We are always a phone call or e-mail away.

Some Assemblies responded with other needs, which we are working on tending to. However, we need to make sure that everyone understands that under no circumstances, are our Brother Sir Knights to continue using the now retired Cape and Chapeaux Regalia, which is no longer in use. We cannot say it enough, that further usage of the retired regalia, will result in reprimanding, up to and including possible membership repercussions.

If you are listed below as "no response", please reach out to District Master, Glenn P. Camley at (603)682-5318 or at gpcamley@gmail.com with the required information. Name, address, and phone number. Please also note, e-mail address is also requested. Thank you in advance.
