Process for leadership teams breakout sessions.

- **Each group to meet to discuss and agree on two topics, issues or challenges to be resolved. These will be shared with the E Board. Master Sheet created and updated.**
- **Of the two topics one will be selected as the focus of the team for working towards solutions.**
- **Bullet point action items to be created. Master List maintained.**
- **Each team member to be assigned specific action items for their follow up.**
- **Individuals to report progress and updates working towards solutions to the team leader on a monthly basis.**
- **Team leaders to share progress reports with SD on a monthly basis.**
- **Each team will share progress and results at the next scheduled E Board.**
