Program Description Documentation

Our new Church celebrated its 10th Anniversary since it opened. We re-celebrated its Consecration Mass with the Bishop and several priests who were previous Pastors. The Knights provided an Honor Guard with 7 Knights in Regalia. The cost was essentially nothing other than food donations and a potluck. Over 95 parishioners attended the event. It was a rewarding night to honor so many priests who had served as pastors and to welcome other priests of our deanery, along with our Bishop. This was an unusual one-time event. Our parish is actually 19 years old. It was formed as 3 churches clustered to form 1 new parish. Our new church building is 10 years old, and our Parish will celebrate its 20th Anniversary next Fall. Along with the event was a museum exhibit showcasing the history of all of the churches involved. The museum exhibit was designed and constructed by one of our council members. The total number of hours involved in the project is unknown.
