Program Description Documentation

The Knights of Columbus Annual Parish Picnic was held on Sept. 28th this year in conjunction with our new church's 10th anniversary Mass. We have a new church building and had a rededication Mass with the Bishop, two days earlier in the evening during the week. As part of a weekend-long celebration, the Knights provided a barbecue, and all parishioners were invited to attend. Outdoor games and activities were available for children and families to participate in. As part of the 10th Anniversary of our church, a museum exhibit was held in the church hall, showcasing the history of all of the churches that came together to form our new parish. As part of the entertainment for the event, a Trivia Challenge Contest was developed, based on the information found in the historic exhibit of all of the churches involved. Not only did this turn out to be a great learning experience for all our parishioners, but it also brought four separate churches together to form a new parish and one large family that celebrates Mass together.
