Program Description Documentation

The project was to help promote the Season and spirit of Advent in our Parish. The Knights in our parish have a history of selling Advent candles. We do this to inspire families to set up an Advent wreath and to encourage family prayer. Through the prayer pamphlets provided, with the candles, daily prayer helps them to grow in anticipation of the birth of our Savior and redeemer, Jesus Christ. Candles are sold at our women's Christmas fair and after all Masses throughout the first two weeks of Advent. A beautiful display table is set up with a large Advent wreath with candles displayed. The pamphlets with daily prayers and meditations are given free with the purchase of candles. This project demonstrates our faith as Knights in supporting our parish and promoting the Season of Advent. Our presence is also used as a recruitment tool to inspire men of our parish to join the Knights, along with other parish events.
