Program Description Documentation

I Winston Savage of Co. 17141 of Meredith NH have started an awareness program that I call **PRAYER KNIGHTS**. The intention is to impress upon knights that are considered non active, that if they pray for the parish's intentions and the request of the council and the members of the council that they are an active prayer knight. I have emphasized to the council that all knights are prayer knights but knights that are considered inactive are active knights if they are praying for the needs of the council's requests.

I email all knights each month the names of people that needed prayers.

Retired Assistant Rev. Ronald T. Smith, one of our knights, was the inspiration for this program.

I have emailed all knights in the council of this intention with this email with Father Rev. Volney J. DeRosia input.

Dear Prayer Knights,

All non-active knights please read

I consider all knights to be **PRAYER KNIGHTS**, but if you are a knight that is not active or cannot do what you feel the other knights are doing, please know that I believe that you are **very important** to what we stand for, by praying for the prayer requests, the knights, and the parish.

Charity is our mission, but prayers are how we do our work and combat the negative powers in the world.

Please, just because you do not or cannot participate in doing programs or attend meetings regularly do not feel that you are not an active member of the council.

You are the heartbeat of what we do, a **prayer knight**!

PRAYER FOR US! THE PRAYER REQUEST!

AND THE PARISH!

GOD BLESS

Winston Savage Grand Knight of co 17141 of
